RENEW.
REFRESH.
REVIVE.

seeking REVIVAL for this generation

It is hard to believe that it is already 2026. It seems like 2025 just flew by. We are so very thankful for all that God did during this past year, and we sincerely appreciate each of you who partnered with us to make such a year possible.

Looking back, God graciously allowed us the opportunity to serve in roughly **250 services across 15 different states**. We stand amazed at His goodness and blessings. We saw God save many souls and restore many broken situations, and in several meetings, He allowed us to witness measures of true revival. A few highlights from the year are shared below.

For the past **eight years**, we have had the privilege of hosting the **Oasis Leadership Conference**. This conference is a free endeavor, stepped into by faith, and once again God faithfully provided everything that was needed. This past February, we had **over 250 registered leaders**, and God worked and moved in an incredible way. We are excited for this year's conference, which is now just a month away. Please help us pray as we host our usual seminars and services, along with a **large-scale kids' camp** and **Purpose 18 for young adults**. There is still time to register you and your entire family at: heathwilliams.org/oasis

We were also blessed to preach in **community tent crusades in Indiana, North Carolina, and Tennessee**. God met with us in powerful ways as we witnessed local churches working together, praying together, sinners being saved, and believers stirred for revival.

Additionally, we had the privilege of preaching in several **youth camps and conferences** throughout the year. We are deeply thankful for all the Lord did in the lives of thousands of teens—from salvation decisions, to young men surrendering to preach, to many growing stronger in their Christian walk.

Lastly, we were able to host **two prayer retreats**, ministering to over **100 preachers**. Many experienced a first touch from God, others received fresh vision for their ministries, and others saw significant prayers answered. What a humbling opportunity it was to host these men.

In all of these meetings—and many others—we are careful to say: **To God be the glory for it all.**

As we begin a new year, my heart is fixed on this phrase from **Philippians 1:27**, “...striving together for the faith of the gospel.” If I have ever known the reality that we cannot do this alone, it is certainly in these days. From our free Oasis Leadership Conference, to prayer trips we will be hosting, media outreach projects, and community tent meetings, none of these could be accomplished without the faithful giving of God’s people.

One known weakness of ours is that we have not always been good at sharing financial burdens or openly communicating the need for support. However, the burden God has placed within us for these and other ministry outreaches cannot be fulfilled without churches and businesses that God leads to “strive together for the Gospel.” We humbly ask you to prayerfully consider how God might want you to partner with us as we labor together for the gospel and God’s glory.

We deeply appreciate each of you and your prayers. It is truly an honor to serve and labor together. If we can ever do anything for you, please do not hesitate to let us know.
